

CAPPADOCIA

HORSE BACK RIDING

Tourism & Travel Agency

1

Cappadocia's name comes from Old Persian 'Katpatuka' word and means "Land of Beautiful Horses," according to a plaque found there. From the back of a horse, enjoy the breathtaking and unique beauty of Cappadocia. Cappadocia has some of the world's most stunning and spectacular landscapes, combining aspects of the Grand Canyon with that of a moonscape.

2

We offer a variety of horseback riding trips ranging from 2 hours to a full day. Our most popular excursions are the 2-hour and 4-hour rides. The valleys we explore on our daily treks are determined by the weather and your riding ability.

3

We ride in and around Rose/Red Valleys, Sword Valley, Love Valley, and White/Honey Valley – the most beautiful trails to ride because we may reach many remote areas...from the crowds - with stunning vistas and spectacular views throughout the trip. We provide early-morning excursions starting at 10:00 a.m. as well as late-afternoon or sunset trips.
